Dear All,

Re: Saying Goodbye.

It is with great sadness that I need to inform that I am leaving Aspirations. The position of the Manager's role has been made redundant and my last working day will be 11th February, as I have some annual leave outstanding. I would have liked to have stayed to say goodbye to you all in person once Aspirations was fully open again. However, by mutual agreement with senior management and myself, I will come back to say goodbye when we are through the pandemic.

I have worked for Red2Green for over 13 years and I have enjoyed working with you all. I will miss you all terribly but it is time for me to move on. I will take away many fond memories with me, especially some of the outings we have taken together. I particularly enjoyed the annual outings and hearing how much these days meant to you. I hope you can start the annual trip again after the pandemic. I know I will be leaving the service in very safe hands and I wish you all well.

Thank you for all the beautiful memories, the fun and the laughter. Also, for sharing your love with Dylan and Jasper and allowing them to be part of the Team. I am sending you all my sincere best wishes for your future at Aspirations.

Take very good care and continue to stay safe.

Warm regards
